

**Glenwood Telecommunications, Inc.
 South Central Public Power District
 Glenwood & SCPPD Project
 Attachment L_1 – Match Source**

Glenwood Telecommunications, Inc. and SCPPD together will commit to contribute 50% of the total project cost or \$3,942,047 of its own funds for the Glenwood & SCPPD Project. The Applicants are currently working on plans for construction responsibilities and ownership, which will impact the internal decisions on the ultimate specific sources of matching funds.

The Companies are working on seeking supplemental funds from other sources such as County and Community ARPA, Economic Developments, Private business, etc.
